MEMORANDUM FOR: Director of Security

FROM:

Director of Central Intelligence

SUBJECT:

Leaks

Can you get me a breakdown on access to compartments other than SCI. Also, the exact scope of SCI clearance. Also the distribution of all our major publications in terms of numbers broken down by departmental recipients. I would also like to know the actions the FBI has under way on leaks, unauthorized disclosures and what dismissals have taken place over the last year.

William J. Casey
